Park Committee called to order at 7:09

Roll call - Dean, Bob, John, Jaynie

Excused - Tom

Guests - Hanna, Danielle

Previous minutes – Bob motioned to accept, John 2nd, motion passed

Communications – follow up we have portable bathrooms at Loop Creek park

Loop Creek – Grant has been applied for, cameras are being discussed at sewer plant. The committee discussed the security at the park. The consensus of the committee is rather than 'fake' cameras, we'd rather see real cameras or nothing, due to the potential liability to the Township.

Centennial Park – Volunteer Day October 11, rain date October 18. Meeting at 9:30am Friday 8-15 with Heartland Conservancy to finalize plans. Heartlands will provide a flyer, and volunteer release forms, as well as saws. Republic Services has agreed to provide gloves, and vests for the volunteers. Skip Kernan will have the prisoners clean the park prior to the volunteer day, and will provide a chipper. We need roundup and rakes, shovels, and a pump sprayer. We need to make sure the bathrooms have toilet paper, soap, and paper towels. We also need a first aid kit. Bob is donating hotdogs, buns, soda and water for the volunteers.

Meeting adjourned 7:57pm
