

St. Clair Township Park Committee Meeting Minutes 03/10/2020

Meeting to order 7:00pm

Don Wallace, Brian Dulski, Linda Wallace

Linda motion to approve minutes, Don Second, Approved

Board Update:

- Barnes discussing with township engineer to create and submit next phase of Loop Creek Park upgrade including all of the amenities that have been discussed in this space in past meetings. To submit to MEPRD and SCCPGC.
- Board is enthusiastic about this phase.
- Discussed survey at Centennial and the board will explore.
- Vossler would like to see basketball court resurfaced at Loop Creek. Include in grant.
- Discussed addressing erosion and trail maintenance at Centennial.
-

Loop Creek:

- Vossler went to park on 3/7 and the park was very active. Basketball courts full. Other equipment being used as well. Comments from residents were very positive about the park upgrades.

Centennial Park:

- Dulski suggested a boardwalk on the northwest side of the small lake at Centennial Park to allow for ADA access and for easier fishing access. Clear the brush along the shore to allow for clear casting.
- Dulski walked the trail and observed the trees from the mass planting. Some of them were browsed down to nothing, while others were untouched and looked healthy and ready to leaf out.
- Don suggested that we clear out the next section of the park next to the nature area to make it more presentable and a nice place to recreate. This can be part of the next clean out in May.
- Several times board members have passed the park and noticed that the lot has been full. Consider additional parking in the flat space on the right as one enters the park.
- Wallace suggested a canopy over the Dean Wallen Memorial Bench.

Budget:

-

Wolf Branch:

-

Grants:

New Business:

Linda motion to adjourn, Don seconded, passed.

Meeting Adjourned at 7:22
