SUPERVISOR’S REPORT

Supervisor Barnes stated that we had another backup at the sewer plant in the bathroom. We had to call Reds out to clear it. We are going to get a clean out on the exterior of the building, but we are waiting on a bid for that. We have been helping Road Commissioner Hursey clean out a road drain, camera it, to see what the problem is. He also helps us clear out brush with his big mower when we need it, so it’s been helpful to work together. We are also getting the last manhole lined the beginning of February.

PARK BOARD REPORT

Mr. Wallace said the board met and talked about getting the restrooms done at Loop Creek Park. They also discussed moving the playground equipment to the other side of the park. They are waiting to see when the new swing set comes in and make the decisions after that. He also said he liked the way the trail was fixed that was eroding with the riprap at Centennial Park.
