

St. Clair Township Park Committee Meeting Minutes 01/12/2021

Meeting to order 7:04pm

Don Wallace, Brian Dulski, Tonda van Hoose

Tonda motion to approve minutes, Don Second, Approved

Board Update:

- St. Clair County Park Grants Commission has not released their request for proposal for this fiscal year. Since the account is sound, the board will discuss moving forward with bidding out the Loop Creek project although that will disqualify the Loop project from being eligible for the funds. The park board strongly urges the board to proceed with requesting bids for Loop Creek project.
- Next step is to move forward on the bathroom replacement at Centennial and will need to be engineered before putting together specifications for project.
- Board approved a survey to be completed for the entire township which will include the park. This will establish boundaries so we can plan for expanded walking trail. To be finished by April.

Centennial Park:

- The trail was repaired where it has washed out and should hold for several years.
- The park board commends the maintenance staff who have kept the trails in very good order.

Loop Creek:

- Sewer plant replacement still pending and park equipment will be taken into consideration when planning takes place. General discussion regarding placement of potential items.

Grants:

- St. Clair County Parks Grants Commission has not yet released guidelines for current fiscal year grant application.

New Business:

- Don moved to host meetings on second Tuesday of each month at 7:00PM, Tonda second, approved.

Linda motion to adjourn, Brian seconded, passed.

Meeting Adjourned at 7:28
