

Paperless Billing Now Available

St. Clair Township will offer paperless billing of your sewer bill beginning with the February 2022 bill cycle.

If you would like to receive your bi-monthly sewer bills by email, please send an email to: billing@stclairtownship.com. In the subject line, please note the account number and service address. We will reply to confirm receipt.

Please note:

1. If you request paperless billing for multiple accounts, **you will receive a separate email for each account.**
2. Paperless billing will only be available to tenants for whom we have a signed Landlord Agreement Form on file from their landlord and their account is in good standing.
3. Per our Landlord Agreement, if a tenant becomes two bills past due, billing is reverted to the owner or management company until the account is current. Any applicable lien or shutoff notices will *always* be delivered via postal mail.
